

Amendments to the Specification:

Please amend the specification by amending the following paragraph on page 5 of the specification after line 16 at the end of the Brief Description of the Drawings section inserted in the Rule 312 amendment of December 18, 2009:

Figure 4 ~~Figure 5~~ is a graph showing the concentration of copper ions leached from roofing granules prepared using a one coat process and a two coat process over a period of nine days.
